

SMART Board Helpful links

[SMART Technologies \(with link to Software downloads\) \(www.smarttech.com\)](http://www.smarttech.com) The main website for the manufacturers of our SMART Boards on campus is the place to download The SMART Notebook software and find free training documents and recordings.

[SMART Exchange \(http://exchange.smarttech.com\)](http://exchange.smarttech.com) A free-to-join repository of ready-made lessons, etc.

[Buffalo State Smart Boards Wikispace](http://bcsb.wikispaces.com) ([http:// bcsb.wikispaces.com](http://bcsb.wikispaces.com)) A custom-made website for our campus, containing some helpful links in the left border to tutorials, explanations, resources, and ideas when working with SMART Boards.

Create engaging and effective SMART Board lessons!

Continue to develop your skills with the SMART Board and Notebook software. Using your own electronic documents and files learn how to incorporate and manipulate documents with the SMART Board. This interactive workshop will provide participants with the opportunity to explore, practice, and create lessons for their courses using SMART Board resources!
